592.4	Northwood Residents' Association		Oppose	To not proceed with the rezoning of part of Northwood subdivision [from Residential Suburban to Medium Density Residential].
628.7	Tom Crawford		Oppose	[Regarding the Sunlight Access Qualifying Matter] seek[s] that the council drop this qualifying matter. I oppose the Sunlight Access Qualifying Matter. There are many cities in the Northern Hemisphere that are further away from the equator and have a higher level of housing intensification than Christchurch. With a mix of medium and high density housing, these cities are considered some of the most livable cities in the world. This qualifying matter would restrict medium density housing height and size in such a way that would create a less efficient usage of land and limit future housing.
2077.7	Christchurch Casinos Limited		Oppose	[seeks] that [the] part of the submitter's site that is proposed to be zoned High Density Residential [72 Sailsbury Street and 373 Durhm Street North] be rezoned to enable mixed use development, such as the Central City Zone (CCZ)
